25th February, 1974.

Medal & Tankards

Firstly, thanks to all 135 members who entered this first Annual Medal competition. The breakdown among classes was 48, 54, 25 and 8 respectively for A - D and it is hoped this year's success will encourage many more, especially in the lower classes, next year.

Secondly, due to the delivery delay on targets, the closing date for shooting the Final will now be 18th March, 1974, with the cards to be in my hands not more than 3 days later.

Thirdly, I have already received a large number of entries for the 1974 Trials. May I remind all other members that entries will be accepted right up until the closing date for shooting the Postal Stage (28th April) and that the stickers for this stage will be mailed out during the second half of March.

Good luck to all 38 Finalists.

Bob Normand  
Secretary.
