

1st April, 1983.

Sixth Scottish Open Air Weapons Meeting, 1983

The Association extends its warmest thanks to the Glenrothes Development Corporation for providing such a convenient venue and to the Glenrothes Club for again acting as hosts for a meeting almost 50% larger than last year. Even the weather was kind, if cold. Thanks are also due to Eric Wallace and his staff from Balmoral Glassfibre for their work in preparing the range.

Head of the "commended in despatches" individual list is Geoff Webb whose unstinting contribution put and kept the show on the road. Raymond Pitman beavered long on the Friday and gained his reward with a fine shoot at 6 yard rifle. Alex McLennan and John Simpson worked unobtrusively throughout.

Finally, thanks also go to you the shooters for making the administration easy.

Bob Normand.
