The Meeting this year has shown that Denwood can produce conditions that are somewhat difficult to master. The combination of the wind during the early details and celebrations at the

Aberdeen & District S-B. Rifle Association's Dance proved just too much for some shooters. Thanks are due

to the many who helped, especially Sandy Stronach, Ian Baird and the others behind the scenes. The Self-service catering was a great success: thanks to Brian Duncan - I know I used it considerably! Finally, the Range was brought up to condition by Ron Birch who not only rebuilt the major part of the target supports but also fixed the fencing and the Notice boards. A constant source of irritation is the 20 or so who entered on the range and the others who did not send in an Entry Form or payment. I make no apology for this gripe except to the few who had a genuine reason. Of course we want to see everyone entering but it is ever so much easier to make up alphabetical lists for scoring and sort out classification, left-handers, firing points and so on the night before. So PLEASE try and put in an Entry Form with Cheque well in advance. Remember, we need your address for the Prize List and it is helpful to have your Phone Number. The quite incredible shooting by G.B. WINCH of Edin. Univ. Alumni deserves a special mention - well done indeed!! The spirit of the Edinburgh group seems to inspire each other to outdo what was done before. The rest of us will just need to get organised. If all goes as planned, you should receive an Entry Form for PERTH with this Prize list. See you there and remember - GET THE FORM AWAY TODAY!!
