ACKNOWLEDGEMENTS etc.
Special thanks to Bill Jaffray of the Bon-Accord Club who scored both the Meeting and the Grand Prix and to Mesdames Gordon and Lavety who attended to our sustenance. The filled rolls were supplied by Brian Duncan and the rest from Aitkens Bakeries. To Adam and the gang who set up the range and did a turn at Range Officer in what was decidedly cold and windy weather, thank you all and I hope you didn't suffer any ill effects.

Shooting:- The scores reflect the conditions, a stiff breeze produced a very testing swirl and a number of good shooters didn't do too well. There was some controversy over the differences in shooting conditions between the ranges. In future, classes will not be mixed and every endeavour will be made to have the squads shooting together.

Organisation:- To put it mildly, I think the overall organisation left something to be desired. Next time, we will do better. Probably the biggest help would be if EVERYONE would send in their entry form fully filled in and enclose the correct fees. You have some excuse this time as the distribution was not as wide as we had hoped and time was a bit short. Sending in an incomplete form without fees because you aren't sure if you'll be there is a real headache and can cause places to be reserved to the exclusion of someone else.

Program:- I will be recommending that, in future, we stop and give out the medals and cups (IF WE COULD GET THEM BACK!) for the 1st stage before continuing on to the GP stage. This will hopefully allow the non-qualifiers to get away earlier, if they want to.

Behavior:- Most of you were impressed with the new Denwood Target Shooting Centre. It is well furnished, it has all the facilities and families and guests are welcome. It took a lot of hard work and a lot of money to get it the way it is and WE INTEND TO KEEP IT THAT WAY. However, there always seems to be some dirty beggars who leave fag ends on the paving, dirty water around the toilet basins and floors, and a lot of food debris on the carpet. We have to clean the place ourselves and it's hard work! It takes one person at least an hour to Hoover the carpet properly and we have had to do it after every shoot so far! Would you ALL please cooperate to make our life a bit easier? PLEASE!!

Attendance:- We do not just want you to attend our Meetings, we need you there. The costs of insurance, heating, water rates, security and maintenance have all to be met at the end of the day. To do this, we need to make some profit from a Meeting and we do this by a levy of £2 per head which is exactly what the local members have to pay each and every time they attend during the summer (£1 in the winter). The only way to increase this without charging each of us more is to increase the rather small number attending. Would you do your bit and try and ensure others are aware of the shoots? [N.B. This last bit applies just as much to the local shooters - where were they all?]

Lastly, now I've got my gripes out, I sincerely hope you enjoyed the meeting. If you have some complaints, let's hear them. We just might be able to do something about it.
Jack Lavety - May 1992
