Apology: My thanks to W. Crawford who has been very honest and pointed out that I made a scoring error at Round 2. This resulted in an incorrect cumulative score of 13 points instead of 4 points being credited to him. Some Round 3 scores were already posted prior to me receiving this information and those shooters will receive a revised copy of the Round 3 results sheet along with their Round 4 results. Once again my apologies to you all, especially Division 1 and in particular W. Crawford.
